SIR,

Referring to Government Proceedings No.L.5012-5-San.53-18-45 dated the 4th instant, approving the postponment of the construction of a building for the Epidemic Diseases Hospital, at Mysore, I have the honour to forward the enclosed copy of letter No.924 of the 4th idem, from the Chairman, City Improvement Trust Board, Mysore and to recommend that the site referred to therein may be purchased, as it is a desirable one for the Epidemic Diseases Hospital. If it is lost, there will be no other site available in a convenient spot. The amount claimed is only Rs.2595/-. The building could be undertaken when funds become available.

Letter No.924 dated 4th March 1922, from the Chairman, City Improvement Trust Board, Mysore, to the Senior Surgeon, Bangalore.

In pursuance of our joint inspection and settlement, I have the honour to forward herewith a plan showing the site near "Idga" reserved for the E.D. Hospital in Mysore and to state that the site measures as marked on the plan 12 acres and 39 guntas, nearly 13 acres. The trust Board have acquired the land under Trust Board Regulation, and the proportionate value of the same at an average of Rs.200 per acre which it has cost them comes to Rs.2,595/-.

2. In the ordinary course of their transaction, this area laid out as suitable sites for building purposes would fetch the Trust Board about Rs.30,000/-. But in view of the fact that the area will be required for an hospital, the Trust Board are prepared to transfer it for the amount they have paid for it.

3. Under these circumstances, I request that you may be so good as to arrange to have the sum of Rs.2,595/- remitted to the Board at a very early date, as they are in need of Funds to meet their liabilities.
